At The Libbys Photo & Films, we believe your experience matters just as much as the final images and films. You deserve a team who will:

- Thoughtfully document your day, preserving memories that are heartfelt, genuine, and timeless.
- Create a seamless and comfortable process, allowing you to be fully present in every moment.
- Work with care and intention, honoring your unique vision and delivering a collection you'll treasure forever.

We hope this guide gives you a sense of who we are, what we value, and how we approach capturing your day. Let's connect and talk about how we can bring your story to life!

You deserve more than beautiful photos and films—you deserve to feel *seen*, *celebrated*, and *completely at ease*, knowing every meaningful moment is captured with care.

FINDING THE RIGHT TEAM CAN FEEL OVERWHELMING, BUT WE MAKE THE PROCESS EFFORTLESS SO YOU CAN STAY PRESENT AND ENJOY YOUR DAY.

"Perhaps the best part about Amanda is that she comes with Cole! This husband and wife duo perfectly complement one another, maintaining the utmost professionalism, yet at the same time, bring a lighthearted fun to the day."

"Amanda and Cole did a phenomenal job of capturing our day from the sentimental moments with parents, to our friends breaking it down on the dance floor. And our wedding video is honestly a work of art. The care and attention Cole and Amanda put into getting to know you as a couple so that they can take photos and videos that reflect you, your family, your friends, and how you envision your day is unmatched."
